

Why Choose Southern Ontario College (SOC)?

Preparing Students for Success...

Founded in 1980, SOC is a private International Secondary (High) School specializing in preparing students from around the world for entrance to Canadian, American, UK and International universities. Southern Ontario College has an excellent reputation, boasting **university placement for over 97% of graduates**.

Our graduates successfully gain admission to prestigious universities in Canada and worldwide, many with **scholarships** and **bursaries**. SOC has strong relationships with such influential universities as:

York McMaster University of Toronto McGill Ryerson

Our highly qualified staff knows what students need to succeed at university and to succeed at life. SOC is an **Ontario Provincial Government-Approved High School** of the highest calibre.

Our fees are 35% less than our other schools!
